

**EFRED MASALAN (SUPPOSING/EXAMPLE)**

**BY HAKIM**

**Transliteration : Amera Eid -1999**

**Supposing we had a fight one day.  
You are making me sick and tired & you won't make me sleep properly  
My heart in your love is effect  
And my night, when you are far away**

**Have some feeling for me  
Because you are everything to me  
Why for god's sake you want to lose everything?**

**(chorus) "Efred masalan..." Supposing/Example/suppose?**

**1. Talking –brings talking  
and people that are against us will make a big story out of it**

**No – it's a shame.  
This love, that is lost with you and mixed up with me.**

**2. Every bitter word that you said to me  
you against any word you're going to give me.**

**(chorus) "Efred Masalan....."**

**3. hey you – can you tell me?  
can you tell me what is the end of my suffering?  
My brain is lost, my heart too....  
You never took any attention for me,  
If with your tender love, you can buy me easily  
Cause if you need me I'll be there**

**(chorus) "Efred Masalan....."**
